Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 6 for Right-of-Way Needed for the Project Entitled Improvements to SW 264 Street, from SW 147 Avenue to US 1 (SR 5) to be a Public Necessity

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution declaring the acquisition of Parcel 6 required for the road widening, beautification, and right-of-way improvements to SW 264 Street, from SW 147 Avenue to US 1 (SR 5) to be a public necessity; and authorizing the County Mayor or the County Mayor's Designee and the County Attorney to employ appraisers, expert witnesses, obtain environmental audits, and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, purchase at values established by appraisals, or tax assessed values whichever is higher of the two, and authorizing administration to make an additional incentive offer for a total amount not to exceed 15 percent over the appraised value, together with reasonable attorney fees and costs pursuant to Sections 73.091 and 73.092 Florida Statutes, or eminent domain court proceedings including a declaration of taking as necessary for and on behalf of Miami-Dade County.

SCOPE

The impact of this project is Countywide; however, it is located within District 8, which is represented by Commissioner Daniella Levine Cava.

FISCAL IMPACT/FUNDING SOURCE

The total cost of the project (inclusive of construction and right-of-way acquisition of all parcels) is estimated at \$2,619,190.69 and is funded by road impact fees programmed within the adopted FY 2015-16 Multiyear Capital Plan (Capital Project No. 2000000062).

TRACK RECORD/MONITOR

The Department of Transportation and Public Works (DTPW) is the entity overseeing this item and the person responsible is Francisco Fernandez, Chief Real Estate Officer for DTPW's Roadway Engineering and Right-of Way Division.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution.

BACKGROUND

This acquisition is one (1) of nine (9) separate parcels needed by DTPW for programmed improvements along SW 264 Street, from SW 147 Avenue to US 1 (SR 5). The project consists of widening the existing roadway to a two (2) lane divided roadway with a center turn lane, bike lanes, on-street parking, sidewalks, curb and gutter, a continuous storm drainage system, signalization, pavement markings and signage, and roadway lighting.

The area to be acquired by DTPW for the street improvements is legally described in Exhibit A and illustrated in the parcel location map Exhibit B, both of which are attached to the resolution. These improvements will improve traffic mobility and improve drainage along SW 264 Street from SW 147 Avenue to US 1.

It is recommended that in order to reduce project time and cost, and to avoid the expense of litigation, that administration be granted authorization to issue an incentive offer to purchase Parcel 6, prior to the filing of an eminent domain action, which may be added to the initial offer to purchase such property. The total amount of the incentive offer and the initial offer shall be no more than 15 percent over the appraised value of Parcel 6.

Deputy Mayor
